HOBBIES

When I'm not coding, you can find me strumming away on my guitar, trying to improve my singing skills. Also recently I picked up knitting and it's so relaxing. I enjoy a good video game session too and taking care of my plants in my vegetable garden is one of my favourite pass-time

Experience working with NodeJS, React, Redux, and SQL among other sector technologies.

I am part of the Companion Team of a group of students at SoyHenry Bootcamp throughout their academic training in web design.

Resolute, communicative, team working, open-minded, curious, empathetic, willing to learn and still growing professionally.
